24 JAN. 1944

Sir,

I have the honour to state that in their Order No. AF.6619-21/P. 1388-40-2 dated the 18th March 1941, Government were pleased to sanction that the printing of the Maharaja's Sanskrit College Magazine may be done by the Superintendent, Government Printing, at half the cost, as a permanent concession. At present however, as the cost of paper has gone up very high, the expenditure incurred in publishing the Magazine is far in excess of the amounts collected from subscriptions, and in the absence of further help from Government, the Magazine which is the only one of its kind in the State will have to stop publication. In these circumstances, the Managing Committee of the College have resolved that so long as the present abnormal prices continue, Government may be pleased to order that half the total cost of publication (including the cost of paper) may be ordered to be waived, as was being done prior to 1931. I therefore request that Government may kindly be moved to sanction the request of the Committee.

I have the honour to be,

S i r,

Your most obedient servant,

PRESIDENT.

5) At the End of the year 1928, the magazine was being printed free of cost at the Govt Press. From 1st Jan 1929. It was directed vide G.O. of 17.4.29 that the magazine be printed at half the cost at the Govt Br Press Mysore.

6) From the copy available it is not clear, whether prior to Jan 29, ~~the magazine was printed at cost~~ The cost of paper required was being paid by the College or whether the paper required for the magazine was also supplied by the Govt SLY free of cost. From 1929, the onwards the magazine is being printed on payment of half the cost of printing

7) The Govt may perhaps be requested to state what the procedure was then whether it was free of cost & what the cost of paper & printing the magazine will be.
